2022 DONATEURS ET SUPPORTEURS

Notre parcours collectif sur la voie de la durabilité est complexe. Or, nous progressons. Grâce à l'incroyable soutien de particuliers, de familles, de sociétés et de fondations de toute l'Amérique du Nord, Canards Illimités Canada est fier de forger de nouvelles voies qui nous mènent tous vers un avenir meilleur.

Nous sommes extrêmement reconnaissants du soutien continu de notre communauté de conservation et des nombreuses façons dont elle alimente nos efforts pour fournir des solutions collaboratives et innovantes qui profitent à la fois aux personnes et à la nature.

LE TABLEAU D'HONNEUR DE CIC

Hommage à nos grands et généreux donateurs

Les grands donateurs réunissent les particuliers, les sociétés et les fondations qui appuient généreusement CIC grâce à des dons en espèces ou à des engagements de dons. À chaque niveau, on remet aux donateurs une épinglette et un témoignage de reconnaissance.

Ce tableau d'honneur met en lumière certains groupes exceptionnels de donateurs, dont les membres du Conseil du président (qui donnent 10 000 \$ ou plus par an) et les membres de la Société de la plume (qui ont inscrit CIC dans leur planification successorale).

Et bien qu'il n'en soit pas précisément question dans ce rapport, CIC est reconnaissant de l'aide apportée par les donateurs du Grand Chelem qui participent à l'effort continental de conservation en consentant des dons majeurs à CIC, ainsi qu'à DU Inc. aux États-Unis et à DUMAC au Mexique.

De nombreux donateurs ont aussi choisi de garder l'anonymat ou préfèrent rester discrets. Nous sommes enchantés par la générosité de tous ceux et celles qui consacrent une partie de leur vie et de leur patrimoine à la conservation des milieux humides.

Au cours de cette période, nous avons également perdu des personnes qui ne faisaient pas nécessairement partie de la Société des plume de CIC ou du programme de dons planifiés, mais qui étaient des donateurs importants. Nous les remercions pour les dons qu'ils ont faits de leur vivant et nous sommes honorés d'avoir participé à leur action caritative.

Les grands donateurs

Dans cette édition du Tableau d'honneur de CIC, nous rendons hommage aux donateurs qui ont versé des dons entre le 1er avril 2021 et le 31 mars 2022. Il s'agit de ceux et celles qui ont versé un nouveau don; se sont engagés à faire un don; ont contribué à un engagement existant.
